Altar Servers – we are blessed to have a large number of servers for 10:00 A.M. Mass - if you did not make this schedule, you will be on the November Schedule. We have paired a new serve with an experience server.

Extra Ordinary Ministers of Holy Communion --- no new ministers signed up and several can't serve at the present time. Please bear with us as we have scheduled the 4:00 P.M. and 8:00 A.M. ministers frequently. If you are at a mass and there are not enough servers, please help us out. If you are unable to attend your scheduled mass, please try to get a sub.
